Name/s: _____

I/we am/are raising money for the Libra Foundation. Libra takes UK students to Romania to work in centres with mentally, physically and developmentally delayed children and provides resources and experiences to Romanian children that the centres cannot otherwise afford. The students will be working with Residential children, children from Rroma communities and those who live in remote rural villages. Participants in this event will help to raise essential funds for equipment that will go out in the summer for the children to use and keep. This includes physiotherapy equipment, story books, educational equipment and art and craft equipment.
